

EL REY

FUNCTIONS PACKAGE

El Rey is the perfect venue for any function, whether you prefer an intimate sit-down dinner or a more social style with roaming canapés, we will tailor the perfect package around your vision.

With multiple areas for you to choose from our beautiful indoor dining room that has bi-fold doors to the back area on a sunny summer's day the whole venue turns into an alfresco dining area or our front outdoor area that catches the last rays of sun with a golden glow, which is weather-protected.

Our menu is extremely flexible, with 90% of our food being gluten-free, we can ensure that there is something for everyone to enjoy. We use only the freshest ingredients and our menu is seasonal.
